# SHARE THE JOURNEY: LOVE YOUR NEIGHBOR

**To: Honorable NYS Members - U.S. House of Representatives**
**Honorable Senators Charles Schumer - Kirsten Gillibrand**
**Honorable President Donald Trump**

Because we believe in the sacredness of the human person and in protecting the life and dignity of every human being, we members of the Catholic community in the Diocese of Rochester join with our U.S. Catholic Bishops to **urge you to work with all deliberate speed to find a bipartisan solution for Dreamers that includes a path to citizenship** . The young people affected by The Dream Act, who were brought to the United States as children, are contributors to our economy, academic standouts in our universities, and leaders in our parishes. They should not be forced to live in constant fear that they will be deported and separated from their families.

As you work towards this goal, I ask you to ensure that any border security measures included in such legislation are balanced, proportional, and humane and that you reject any proposals that threaten family-based immigration or seek to undermine protections for unaccompanied children.
