

New Religion Curriculum

Available August, 2006

Bishop Matthew Clark has approved a new religion curriculum for the parish faith formation programs and the Catholic Schools (Pre K-5) of the Diocese of Rochester.

This curriculum integrates the sexuality curriculum, elements of creating a safe environment and includes the NYS AIDS curriculum. In addition it includes a CD of the parent and family sessions for Creating a Safe Environment. It has been developed with input from several Catholic School Principals, teachers, Catechetical Leaders and volunteer catechists, and we believe it is user friendly and that it will be helpful to both professional and volunteer teachers. Primary authors of the curriculum were Sr. Margaret Mancuso, SSJ and Mary Ann Obarck.

Implementation of the curriculum will be 2006-07 in Catholic Schools and 2007-08 in parish faith formation programs. Every parish is expected to have at least one copy of the curriculum in their possession by September, 2006.

Please return this form to order your copies of the curriculum.

Parish _____

Address _____

City/Town _____ Zip _____

Contact Person _____

(Catechetical Leader)
