

### **Respecting God**

The first three commandments teach us that we are to respect and honor God. In today's world sometimes we can put things like power, popularity, prestige, money or pleasure before our relationship with God.

What things in today's culture do you think keep you from putting God first in your life?

Do you attend Mass as often as possible or have you gotten in the habit of missing Mass during the summer months? Do you take time for family prayer?

How do you show your love for God? Are there ways you can improve?

These commandments also remind us we are to treat holy things and places with respect.

What are ways we show reverence or respect to God in Church?
