

**HOW TO USE THE POSTCARDS:** With the expectation that comprehensive immigration reform will be up for debate this spring, it is important that supporters of reform make their voices heard on Capitol Hill. For this reason, the Justice for Immigrants Campaign has initiated a postcard campaign that will urge Congress to pass reform legislation. Here is how it works:

- Fill out your name, address and email so that your U.S. Senators and Representative can confirm you as a constituent.
- Fill out the name of your Senators and Representative on the front and back side of each of the relevant post cards.
- The JFI campaign will deliver the postcards to Congress during National Migration Week, a week of observance for Catholics to take stock of the wide diversity of the Church and the ministries serving them.
- **Invite others to send a card to Congress.** Call ###-###-#### or visit the USSCB Publishing website at [www.usccbpublishing.org](http://www.usccbpublishing.org) for more postcards. A printable set of postcards is also available at [www.justiceforimmigrants.org/pcard](http://www.justiceforimmigrants.org/pcard).

Dear Representative \_\_\_\_\_:

I am a concerned constituent who strongly supports the Catholic Church's position on comprehensive immigration reform. I urge you to support passage of immigration reform legislation that:

- Keeps families together by making more family visas available;
- Brings immigrants out of the shadows through a legalization program;
- Creates legal avenues for migration for low-skilled workers;
- Stops deaths in the desert by employing humane border enforcement strategies.
