<p>Special Circumstances: This group is a mix of large suburban/exurban parishes and smaller rural parishes. Pastoral care ministry includes the county jail and many facilities for the sick and infirm. The Parochial Vicar is a priest intern whose assignment is based on the availability of a priest mentor rather than solely pastoral need in the parish of assignment. Sacramental ministry for the two-parish cluster is provided by two of the listed priests plus a retired priest. The base number of priests is currently 5 going to 4 during 2005-10</p> <p>Comments: Personnel figures are as of July 1, 2004. Sacramental information is 2003 data. Household information is based on Courier addresses as of 9/9/2004. The projected number of priests does not necessarily mean full time priest pastors. Since all pastoral leadership positions are open to pastoral administrators, a "projected priest" could be a sacramental minister who serves with a pastoral administrator on either a full time or part time basis.</p>
