Dear Jim:

I want to thank you for sending me the reconfiguration plan to be initiated in 2007, where the parish cluster of St. Felix and St. Francis will combine with St. Dominic to form a new parish cluster with three worship sites under a single Pastoral Leader; and the parishes of St. Mary and St. Bridget will form a new parish cluster with two worship sites under a single Pastoral Leader; and St. Patrick will remain a stand alone parish working closely with the other parishes, primarily St. Mary and St. Bridget, to find new synergies in ministry and administration.

I appreciate very much the work and effort the Planning Group has put into this reconfiguration plan.

Thank you also for submitting the four possible leadership scenarios. I will ask the Pastoral Planning Office to provide your reconfiguration plan and the possible scenarios to Fr. Michael Conboy and the Priest Personnel Board.

I want to express my thanks to you for preparing the members of the Planning Group Community so well for the future changes that this plan will require.

I will keep your Planning Group in my prayers as this plan is being carried out. Thank you for your continued prayers and support.

With every good wish, I remain,

Your brother in Christ,

†Matthew H. Clark  
Bishop of Rochester
