

Reflections for Lent 2022

Enhance your and your community's Lenten journey with these Sunday Gospel video reflections. Learn about Catholic Relief Services' work around the world and how we are called to see the face of Christ in our sisters and brothers in need.

CRS Global Fellows—priests and deacons who have witnessed CRS' work around the world and who speak throughout the United States about our mission—have recorded brief reflections based on the Sunday Gospels before and throughout Lent. These videos can be used by your community in multiple ways, such as reflections for faith-sharing groups, in a live-stream Mass or in social media channels to encourage people to participate in CRS Rice Bowl.
