

## Worksheet 1: YOUR WHY - PERSONAL

Reflect on key life experiences. When have you experienced Christ's presence in powerful ways? What memories stand out? Did you recognize the Lord in the moment or only in hindsight?

What is your most memorable stewardship experience? How did this bring your faith and relationship to Christ into new perspective?

How did the experience(s) change you or influence your life's course? How did Jesus call you through the experience(s)? In what ways is your life and ministry a response to the experience(s)?

How would you describe your WHY (your purpose, cause, or belief) which the experience(s) helped to shape?
