

Worksheet 2: YOUR WHY - PARISH

Reflect on Acts 2:42-47. What strikes you?

What vision for the community of faith do you perceive in this passage? How might this influence the way your parish articulates its mission?

How has your parish lived as a community of believers and as stewards in the past - from its founding, before the pandemic, and in the past two years?

How would you describe your parish's WHY (its purpose, cause, or belief) at this time?
