G.R.A.C.E. MUSIC MINISTRY

In October 2000, a few musicians from various parishes throughout the Archdiocese of Port of Spain responded to simultaneous promptings from the Holy Spirit to form a new music ministry which became **Glorious Rhythms Acclaiming Christi's Eternal-Love (G.R.A.C.E.)**

Our mission is to evangelize throughout Trinidad and Tobago, the wider Caribbean, and beyond. It is our hope that through our music ministry many people will experience our Lord Jesus in a new way and indeed lives will be touched and transformed. In so doing, it is our desire that the richness of our Catholic faith will be better understood and communicated.
