Material Choices

1) Fabric Banner

- Single-sided print only.
- Three layer woven polyester fabric.
- High resolution printing.
- Wrinkle resistant, scratch resistant, and washable.
- Minimum light reflection.
- The minimum space between threads allows for exceptional print quality and opacity.
- 9 oz. weight fabric.

2) Poster

- Single-sided print only.
- Base is white on both sides and perfect for vivid full color graphics.
- High resolution printing.
- Made from pvc material printed with UV inks for extreme durability.
- Low memory material, so even after being rolled it will lay flat and won't curl at the edges.
- For use indoor or outdoor, waterproof and UV safe.
- Thickness: 0.36mm/0.014 inches.
