

INSPIRE

WITH A GLOBAL FELLOW
CATHOLIC SPEAKER

CRS GOOD NEWS COFFEE BREAK

These are challenging times, but despite that, there is good news happening around the world you should hear. In the face of COVID-19, CRS is working with families around the world to ensure they have access to food, soap and other basic necessities. Together with people across the United States, we are *leading the way* to support our sisters and brothers who experience poverty, hunger, conflict and displacement and are made even more vulnerable during this pandemic.

CRS' talented Global Fellows, Catholic priests and deacons who have witnessed the work of CRS first-hand are ready to share some good news with you. Tune in, once a month for 15 minutes to hear a short story that will lift your heart.

Click on the date below to register and receive your personal Zoom invitation.

Please note we will be offering simultaneous Spanish translation.

Occurs the 2nd Wednesday of the month at 12 Noon ET.
